## CAMP SITES & LODGING

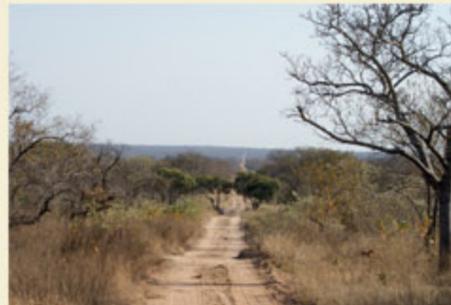

### CAMPING IN THE TRANSFRONTIER PARK

Transfrontier Park (Kruger park): The camps sites are like small town in the middle of the bush. They are all fenced, attractively laid out and immaculately maintained, most have shops and reasonable restaurant with reasonable prices plus/or share cooking facilities. Wild life drive and bush walks with rangers can be arrange.

### CAMPING IN MOZAMBIQUE

Bush camping: One night will be spent in the wild bush during the dry season only (March-October); the site is located at mid-distance between the Transfrontier Park and the Mozambican coast.

### ALONG THE INDIAN OCEAN

Villanculos, Morrungulo, Inhambane, Xai Xai: We selected the best camping site along the coast under the shade of coconut and indigenous trees right in front of the beach.

### NIGHT IN MAPUTO.

Two guest houses have been selected each personalized by its own decor, in order to give you the exclusive comfort of your own home. Decorated with contemporary furnishings, the ambiance reflects a fusion of African, Asian, South American and European influences.
